我在廖寶珊唸書已經有六年了 其間有很多很多回憶。我很想多 謝各位老師的教導。感謝您們 的耐性、細心和關心,無論在 學業上或是其他方面都給予我 支持,令我得到更多的體會和人 生經驗。多謝您們。我永遠不會 忘記您們的溫柔和教導!

六年以來, 我對這間學校又 愛又恨。愛,是我得到一班好 同學和老師支持;恨,是我未能成 為一個成功的學生、學兄和朋友。大家都聽 過「少壯不努力」這句話,也知道下一句是 什麼,這正好反映我的現況。希望各位學弟 學妹不會重蹈我的歪路,珍惜在校的時光 努力讀書。祝大家前程錦繡!同時,我也會 繼續努力,做個出色的人,成為社會未來基 石,報答社會。我衷心感謝廖寶珊紀念書 院六年來的栽培!

天下無不散的筵席。我在這裡渡過了人生中最重要的

階段,見證了學校的改變和自己的成 長,也留下了許多美好的回憶。

我希望學弟學妹勇往直前,努力 學習;希望老師們身體健康;希

現在距離公開試的日子愈近, 便愈知道時間的寶貴。大家真 的要善用時間,尤其是已升上 高中的同學們,要明白公開試的重 要性,不要臨急抱佛腳。「準備愈多 得到的回報愈多。」這是一個必然的 定律。

在廖寶珊紀念書院的六年間,我有 很深刻的體會。六年來,感謝老師們 的關愛與教導,多謝您們沒有放棄成績較弱 的學生。在這裡,我體會到校園的溫暖。 多謝您們!

「其他學習經歷」是很重要的學習環節,要盡量參加 多一點學校的活動,多學不同的知識對日後極有幫助。 時光飛逝,快把握時間將自己磨練成利器,加油啊!

《香港200》領袖計劃

本校兩位同學獲選參加第五屆《香港200》領袖計劃,接受一系列有關領袖人才的特 殊培訓,透過積極參與社會事務,培養服務社會的心志,並發揮所長,回饋社會。

憑熱心為港添光明 6E 陳凱

「修身,齊身,治國,平天下」鋪展出人格成長之路,指向人生的意義。人,就要奮發不懈。 我移居香港方才四年,但已將這裡當成自己的新家。香港比內地興旺先進,在這裡,我感到自由、幸 福,願香港社會發展得更好。

一切要從身邊做起。服務人群、顧念老弱,最重要的在於「誠心」。我剛來香港的時候,就曾探訪老 人院,了解他們的生活,為他們帶來歡樂。我還曾協助社區舉辦活動、 擔當義工,為市民的生活增添喜樂。看到大家滿心歡暢,我也愉悦無比, 深感締造和諧、關愛他人的工作意義深遠。我期望以身作則,把這種精

神傳遍校園,例如,義工活動結束後分享經驗,鼓勵其他同學加入服務 社會的隊伍。

香港是亞洲先進城市,但是社會上的不公、苦難仍不少,很多人生

活在底層無以掙脱,令我深感同情。誰不想活得幸福、過得舒適呢? 我願憑藉這顆「心」,盡一己綿力,為香港添光明。

讀書,可以開闊視野、啟蒙智慧、提昇理性。他日投身社會,為的 絕不止於薪水,好男兒本應為社會、為國家作貢獻。我一直堅信回饋社會是青 年人的責任、是我的使命。

我相信,一個具有挑戰性、能讓我服務香港的機會,將給我無比的力量一展才能,更願在這條學思相 兼的路上,奮發向上,更趨成熟、更見穩重。

Money is the main driving force in Hong Kong. The majority of the population holds the belief that only money talks in our society. Such an attitude can easily influence young people.

Youngsters from various backgrounds in Hong Kong share the same outlook on life. They believe that money allows them to have fun and widens their social circles. They worship brand-name goods. Hedonism poisons their thought. Their sole purpose in life is to pursue pleasure. I believe this materialism will only mould them into slaves of money, and they will never fulfil their promise as leaders of society.

Does this mean then, that all of us are obsessed with iPhones or designer brands, but have no interest in current issues? No, absolutely not! The

recent outbreak of unrest in the territory revealed the concerns of the post-80s generation. Though I am jubilant that people are willing to struggle for progress and change, I do not agree with the way they expressed their views. We are educated and sensible people. In my opinion, the extreme actions carried out by these young people have left a poor impression on the minds of our senior citizens. What's more, they will not even enable our society to make the leap forward that they were intended to provoke.

As a member of the community, a strong sense of belonging in Hong Kong stimulates my eagerness to serve our city. I am always passionate about doing voluntary work and taking up new roles. School is a miniature version of society. In my school, I am the head prefect and president of the Debate Club, and also serve on the committees of several clubs. On the one hand, I have a chance to serve and collaborate with my schoolmates. On the other, such invaluable experience enriches my school life and improves my leadership skills and empathy.

I believe I will use what I have learnt in school to contribute to the future well-being of Hong Kong

The English Corner Hosts a Valentine's Café

On Tuesday February 14th, 2012, students from Liu Po Shan Memorial College attended the annual Valentine's Café. This year the English Society hosted the Valentine's Café in and around the English Corner to facilitate the volume of students that attended. This year there was a triumphant amount of students attending. The area outside of the English Corner was decorated with hearts and symbols of love to get all the visitors in the mood for Valentine's Day.

At the Valentine's Café this year students had a variety of games to play, along with card making, writing secret valentine messages and watching the truly romantic movie Titanic. Some of the games included Find the Pairs, Love

Quest and Romantic Bingo.

The members of the English Ambassador Team were given different roles to make sure the Café was a success. Some of the ambassadors helped students with the educational puzzle activities, some were the bingo callers, others would ask the customers a English question and if they answered correctly they would receive pretend money for tasty snacks in the Café. Other English Ambassadors prepared food and hot drinks, others managed the money whilst some members played host and guided students to tables. All of the Ambassadors worked really hard to assist with the smooth running of the Café.

Miss Landi, Miss Jenny, Ms. Jenny Chan and Mr. Woods all helped students play games and encouraged the use of English throughout the lunchtime Café. The students were eager to learn new vocabulary that helped them solve their crossword puzzles such as who is 'cupid' and what 'heart break' means.

The English Society provided numerous snacks and drinks for students to enjoy. Snacks included Oreos, potato crisps and lollipops. Students enjoyed the hot and cold drinks that were made available including the always popular English Corner hot chocolate with marshmallows and were given a choice of lots of fruit punch drinks. Both beverages and snacks went down a treat with all the English Corner guests.

The Valentine's Café was a great success due to the effort and hard work of the English Society.
